

# 101 CONTACT THINNER CLEANER

#### **DESCRIPTION:**

**101 CONTACT CLEANER THINNER** is formulated to clean and remove both solvent based and dried water based adhesives from tools, equipment and general surfaces. It is also suitable for thinning adhesives including TAC BRUSH CONTACT ADHESIVE if required

TECHNICAL DATA:	
Base	Solvent
Colour	Water Clear

### USES:

- Cleaning metal tools, spray guns, contact spills and overspray.
- Thinning TAC BRUSH CONTACT ADHESIVE

# **APPLICATION:**

- Apply liberal TAC CONTACT CLEANER THINNER directly onto the dried adhesive to soften. Once softened, remove adhesive by wiping or scraping
- Metal parts can be soaked to soften and remove adhesive
- Spills and overspray can be wiped off with a rag soaked in TAC CONTACT THINNER CLEANER
- To thin TAC BRUSH CONTACT ADHESIVE add TAC Contact Cleaner Thinner gradually until the original consistency is achieved

# **SHELF LIFE/STORAGE:**

- Store under cover, out of direct sunlight and in a well ventilated area.
- · Keep away from all sources of ignition
- Shelf life is 12 months when stored as per above recommendations

#### **CONTAINER SIZE:**

20L containers

# **HEALTH AND SAFETY**

For information and advice on the safe handling, first aid, storage and disposal of chemical products, users must refer to the most recent Safety Data Sheet (SDS) containing physical, ecological, toxicological and other safety-related data.

#### **WARRANTY STATEMENT:**

RLA Polymers guarantees this product against manufacturing defects and guarantees it to be manufactured to our published specification.

We certify that this product is suitable for use when fully cured and will perform as described in our technical data sheet or other published materials.

RLA Polymers will replace the product free of charge when purchased from any legally verifiable source and where a product is proven to have been stored, handled, and install according to instructions published on our packaging and within the stated shelf life. The Installation of all materials must be carried out in accordance with relevant Australian Standards.

Warranty doesn't apply if damage, loss, failure to follow instructions, or other circumstances are out of our control.

Sufficient time and access to investigate any complaint must be accorded to RLA Polymers.

The consumer is responsible for any expenses incurred in making a claim.

A claim form can be requested by:

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality, and the failure does not amount to a major failure. The benefits under our warranty are in addition to other rights and remedies available to the consumer under the law in relation to the goods and services to which the warranty relates.

#### **DISCLAIMER:**

All statements and technical information contained herein are based on tests we believe to be reliable, but the accuracy thereof is not guaranteed.

Users assume all risk and liability resulting from the use of the product and must confirm the suitability thereof by their own tests. Conditions of Sale contain a limited warranty against manufacturing defects.
